

VDSS Information for Response from Affected Jurisdictions

(5/06/05)

In accordance with the Code of Virginia, Virginia Department of Social Services (VDSS) is offering all interested and affected state and local agencies and other interested parties an opportunity to respond to each of the four Public-Private Education Facilities and Infrastructure Act (PPEA) Conceptual Proposals for the VDSS Business Modernization Program. This input will be considered as part of the proposal review process.

Date Due:

- Written responses are due by 7/6/05. If an agency or jurisdiction has questions, requests must be submitted in writing by 6/6/05.

Send to:

- Comments and questions should be emailed to VDSS at ppea.comments@dss.virginia.gov.

Formatting Guidelines:

- Include an agency contact name and contact information near the top of the response.
- Each proposal should be responded to separately so it will be easier to evaluate the agency input. (For example, all comments regarding CGI-AMS' proposal should be grouped together, all comments regarding EDS' proposal should be grouped together, etc.). If the agency has general comments that apply to all proposals, these can be grouped in a separate section instead of repeated for each proposal.
- Specific proposal sections and page numbers should be noted as appropriate for each comment. This will help the reviewers more readily identify, investigate, and understand areas of concern.
